

University of Missouri

Supervisor of Stage Services (Scenic Studio Supervisor)

The University of Missouri Department of Theatre is seeking a Scenic Studio Supervisor for a full-time, benefit eligible staff appointment to begin June 1, 2012. For additional information regarding the production program visit: <http://theatre.missouri.edu>.

Responsibilities:

- Supervise construction and installation of scenery and properties
- Enforce safety regulations
- Maintain inventory of all stock
- Maintain and perform regular maintenance of shop tools.
- Supervise paid theatre assistants and work study students
- Attend technical rehearsals and strikes as requested
- Read and interpret blueprints
- Operate hand and power tools and equipment
- Fabricate scenery from wood, metal and other materials
- Ability to perform heavy lifting

Qualifications:

BA degree in Theatre or equivalent and shop management experience required.

To apply, submit an electronic application to hrs.missouri.edu with the following attachments: letter of interest, resume, three letters of recommendation, digital or website portfolio. An official transcript must be available upon request. Salary is commensurate with experience.

The review of applicants will begin on February 24, 2012, and continue until the position is filled. Direct questions to: Professor Clyde Ruffin, Department Chair, (573) 882-2021
